Date: 10/01/14

**CONGRATULATIONS !!!!**

The Management, Director (academics), Principal, HoD and Faculty members of Biomedical Engineering Department are happy to congratulate **Prof. V.S. Mahendran Assistant Professor, Biomedical Engineering** who has been invited as a Chief Guest for the event “**MICROFABRICATION TECHNOLOGY**” Held at **Sree Narayana Guru College, Coimbatore** on **January 8<sup>th</sup> 2014**. It gives us immense pride to see our faculty as a resource person for these events hosted by other colleges across Tamilnadu.

The respected Professor is hereby requested to inspire both students and faculty members to enhance their technical expertise so that they themselves can become a delegate for the neighboring institutions and universities across India and Abroad. These activities help in building up a career for both students and faculties which are considered as add on advantage to their technical expertise. This in turn will bring laurels to both the department as well as our institution.

Department of Biomedical Engineering  
Sri Ramakrishna Engineering College,  
Vasanthakumaran, NGCO Colony (Po.)  
COIMBATORE - 641 022.
